AIVAZOVSKY

Ivan Aivazovsky pictorul marilor
(1817-1900)
Aivazovsky a reuşit cea ce nici un alt artist, cu excepţia pictorului englez W. Turner, nu a putut să capteze cu atâta strălucire, convingere şi aparentă uşurinţă unul dintre cele mai dificile subiecte pentru pictor, schimbările nenumărate de dispoziţie ale mării.
